

National Quantum Information Science Research Center
Quantum Career Fair Agenda
September 14th, 2022

Time	Topic
11:00 – 11:05 a.m.	Welcome & Opening Remarks
11:05 – 11:15 a.m.	Quantum Information Science in the Department of Energy's Office of Science
11:15 – 11:30 a.m.	Quantum Market Overview
11:30 – 12:15 p.m.	Panel Discussion – Meet the Department of Energy's National Quantum Information Science Research Centers
12:15 – 12:45 p.m.	Panel Discussion – Quantum Careers at the Department of Energy National Laboratories
12:45 – 1:00 p.m.	BREAK (Visit Exhibit Booths)
1:00 – 1:30 p.m.	Panel Discussion – Quantum Careers in Industry
1:30 – 2:00 p.m.	Meet a Quantum Information Science Professional - Interact with scientists, engineers, technicians, information technology, and non-STEM professionals such as marketers, business development, and many others to learn about their roles and get your questions answered.
2:00 – 3:00 p.m.	Undergraduate Workshop – Learn about what courses to take to build quantum knowledge, what to look for in graduate programs, how to differentiate yourself when applying for internships / grad school, and finding a mentor to guide your educational path.
	Graduate / Post doc Workshop – Learn best practices to differentiate yourself when applying for a job, understanding what drives you to find a career path that best suits you goals, where to look for a job and more awareness about the job process and how you might transfer your skills sets into a quantum career.
3:00 – 5:00 p.m.	Exhibit Booths & Networking Opportunities
